PLAY AWAY

Loving all sorts of sex, I'm also an incurable wanking addict. Any bloke who has a problem with this is a hypocrite!

I've made myself cum all sorts of ways, including just using my hands for a quick orgasm, but what I really like is a long masturbation session with my sex toys.

I've collected loads of them over the years, though I have my favourites. One is a pink glitter butt-plug I got at a fetish fair, just because it looked cute and pretty! But curiosity got the better of me and when I tried it, I loved it.

It's fatter than the average helmet at its thickest point, so it takes lots of lube and quite a bit of teasing to get it comfortably

don't mess about!

Both of them are bigger than the real thing. I thought it might spoil my snatch for real cock, but that hasn't been an issue yet! And while they stretch my mouth and are just that bit too long and thick for me to deep throat, it means I can now take just about any flesh dick right down to the root!

That's not all – I've got a few nipple clamps as well, and sometimes I'll dangle metal charms off them, to feel them

that when I do cum off it'll blow me away, but I'll reach that stage where my snatch is vice-tight around the dildo, and my arse clamped just as fiercely on the plug. Then, suddenly I'll feel my muscles start to pulse and all I can do is roll with it and enjoy the cum. At least I'm multiple-orgasmic, so I know that if it happens too fast, the next build-up will start immediately. I'll just be lying there, dazed, then start to feel aware of the toys inside me, or feel the chain pulling my on my nipple-suckers.

I want to meet a bloke who loves

**JANINE,
Glasgow**

**"I love to suck
my juices off
off a big dick!"**

up my arsehole. But once it's in, that's where it stays until I'm finished.

I've also got a couple of dildos, both real-look because the sight of a huge, fat cock is so horny to me. I'll plug my arsehole first, then prop a mirror up on the bed so I can watch as I push the dildo into my cunt. It's already huge, but the butt-plug makes it feel like an even tighter fit.

The trouble was I kept on wanting to pull it out – I love to suck on a big dick, and sucking my juices off it is even hornier. So I bought myself another realistic dildo, so I can have one at each end. Sometimes I swap them over so I can taste the sex off the one that's been up my snatch. But when I really get going, I

bounce and tug on my teats. But my favourite tit toys are these little suction cups you fit on your nipples, and I sometimes string these together with a chain too, for extra pull.

Of course, I've got a vibrator too – a powerful mini-one that I use to buzz my clit. And I usually end up cumming within seconds. I'd say that cumming too soon is my only problem. It's hard to string it out and get a bit of a build-up – push it that fraction too far and there's no going back.

I try to hold out for as long as I can so

wanking as much as I do, and who'll get turned on watching me. I can just imagine how I'll feel, plugged in every hole while I watch him pummel his own purple cock in his fist.

My other fantasy involves being gang-banged. I love the feeling of being stuffed full and fucked thoroughly – and to get that feeling from fucking and sucking on real dicks would be incredible. I'll need at least three plus a reserve team to step in while you recover. Any takers?

Janine, Glasgow.

NOT A CLUE

It's a while since I lost my cherry, but I always think about it around this time of year. It happened on the night after a bunch of us had sat our final A-level exam and went out to celebrate. Because my 18th birthday had been just a couple of weeks before my exams, I hadn't been able to make a big deal of it, so I had that coming too.

There were a load of us down the pub, and a lad in my year, Aaron, asked could he buy me a drink. He'd never shown any interest in me before then – not many had, to be honest, as I had a bit of a swotty reputation. We kept talking and he kept buying me drinks – in the end I asked was he trying to get me pissed. He looked a bit embarrassed and said he wasn't planning to try anything on. "Shame," I said. By then, most people who were dating were necking, and a few others had paired up. So I just leaned in and started to snog the face off him.

He asked did I want to go for a walk. There's a country park where I lived at the time, and we weren't the only ones there, but he found us a quiet spot. At first, we just snogged and messed around, nothing major, and I asked him had he ever brought anyone here before. He said no, though he'd had a sneaky hand-shandy over some bird sunbathing in a string bikini by the lake!

Thinking about it was obviously turning him on – when we kissed again he got a lot more handsy, stroking my tits, so I felt my way down over his chest and belly, then started rubbing him through his jeans. They were bulging full and I'll admit it was weird, feeling a hard cock for the first time.

Soon he was straining so much he had to unzip. I just felt him up through his boxers, then heard him grunt as I stuck my hand inside them. He was groaning, so hard and horny, the tip of his prick all wet and slippery.

He followed my lead, working down to my knickers and then inside them. As his fingers sank into my hole I wasn't sure I liked it, especially not when he found a good spot – it felt too intense, much more than when I had a bit of a fiddle myself. But he snogged me again, so I stayed with it and soon got into it.

Now he pulled his fingers out of me, and took a sniff. Then he took a condom out of his pocket.

I had this feeling of "Fuck! This is it!" I knew I could back out but I didn't want to.

I lay back, wriggled out of my knickers and let him get in between my legs. Looking back, neither of

us had a clue – it took him a couple of goes to get inside me. But he felt so big and hard, his cock thumping up against the top of my pussy, and he put his hand in between us and began to tickle my clit.

It felt like I was going to wet myself, but I'd got this far before from fingering my own fanny. Then, as his prick pumped in and out, I felt my cunt seize up and get all tingly, then suddenly start to open and close around his dick. He groaned that he

feeling tingly all over right now as I waited to feel his cock penetrate me from behind. I moaned as it went in and felt him play with my arsehole. I wasn't ready to let him go up there yet – in fact, I still haven't done full anal with anyone yet – but I like to have a bit of a tickle.

This time he left playing with my clit to me, and I managed to make myself cum. He pulled out so I thought he might have cum too, then he said he'd seen a porn film where a bloke spunked on a girl's face and tits, and that was another thing he wanted to try.

I said yes and knelt in front of him as

thought I'd just cum – I may have been a bit inexperienced but I'd worked that one out for myself!

"My turn now," he said, and started ramming into my cunt, fast as he could. Then he gave a grunt and I felt him sort of jolt inside me as he shot his own load.

After that, we just messed about for a bit. I slid down to have a closer look at his cock, and feel it up once the sensitivity wore off. Within seconds, I felt him start to get another hard-on, swelling up and stiffening in my hand.

We had so many things we wanted to try. He asked me to suck it, and I thought I'd keep on till he came. Then he said he'd always wanted a go at shagging doggie style. I got on all fours, flaunting my bum,

he stood, letting him fondle my tits as I wanked him. I could see clear stuff drip out the end of his dick, and then the first big spurt of actual cum hit me in the face. I shut my eyes, using my hand to aim him, and when I opened them again, I saw creamy blobs all over my boobs, wet and shiny in the moonlight, and felt them running down my face.

We had a lot of fun that summer, just messing about, but we split up when we went to different unis. I met someone new in freshers week and though we didn't shag for about a month, I felt really confident about it. There've been a few blokes since Aaron, some of them better, but you never forget your first!

Emma, Gravesend.

READERS' LIVES

BITCH TIGHT

Some blokes are just plain greedy when it comes to pussy. Take Jonny, the guy I've been fucking for almost a year. Not only does he have an official live-in girlfriend, he already had a bit on the side when I came on the scene.

I think his "missus" tolerates it – turns a blind eye to him screwing around as long

from her. To lessen the risk of getting eaten alive, I reckoned!

She actually called me "bitch" to my face, but it was almost affectionate, like a compliment! And her flirt setting didn't come with an off button – she kept touching and caressing me, saying how pretty my hair was and that I had cute boobs. She didn't see me as a threat any

well used to blokes losing the plot over her, and she couldn't understand why Jonny might need another woman aside

NESSA,
Plymouth

as it's her that he comes home to most nights. But Lucy, "bit on the side No1", started getting a bit possessive. She said if she didn't get to meet me, it was over between them.

I think he was bricking himself – what if I said no to a meet-up? Lucky for him I'm a nosy cow. He even told me she'd called me his 'other bitch', which made me laugh. So we went round to hers for the big introduction.

She wasn't at all like I was expecting, insecure and neurotic. She was that sort of girl who lives to be sexy, who's

more, but she was in for a shock if she reckoned I was fazed by her.

She was wearing this really cool designer pendant, so I reached out to get a closer look at it – resting it against my palm, with the back of my hand on her cleavage. She gave me a look, a big glint in her eye, so I stroked my hand down until I was cupping her boob. She was wearing a half-cup bra, so it only took one quick move for her to flip it out for me to hold bare.

I answered by pulling the other one out, then I licked my lips and tongued around

her nipples before looking her straight in the eye again. Then we started kissing while I carried on groping her swelling breasts.

If Jonny was thinking this was all for his sake, he was wrong. We got on the bed and started rolling around together, humping against each other's thighs. I felt Lucy's naked skin above her stocking tops, and her knickers weren't enough to shield me from the heat and wetness of her pussy. In any case, she soon took them off.

Jonny wasn't going to be left out, while his two bits of spare got off with each other, so he got on the bed, shoving in between us. He got three fingers up each of us, one girl on either hand, but looked like he didn't have a clue what to do next. So Lucy stepped in, telling him, "Fuck her. I want to see you stick your cock up her snatch."

I lay back on the bed with him getting in between my legs, kneeling-up missionary. That's the last thing I saw, as Lucy lowered her cunt over my face, but I could feel her reaching forward to wank him.

At first, she kept her pussy above my mouth, so I had to crane up to give her some tongue. Then she let me pull her right down onto it, so she could grind. I think – from the sound of it – that Jonny was kissing her and sucking her tits, then I felt her long nails brush my inner thighs as she guided him inside me.

She was half-wanking him at first, then she freed his cock to thrust into me. He fucked me hard but not fast – how he does it when he's trying to stay in control.

Making Lucy cum wasn't much of a challenge – I could have just stuck out my tongue and let her buck on it while she frigged her own clit. Eventually, though, she dismounted my face, and immediately Jonny leaned right forward to lick her cunt cream off my mouth and around it.

It wasn't long before she was back for seconds, though, and stuck her arse right in his face so he could lick her from behind.

When she'd finished cumming, the two of them doubled up on me, Jonny thrusting again while Lucy fingered my clit and sucked on my boobs. That did for me as well, and I came around his cock, moaning as he pulled all the way out, dipped back in, then pulled out to wank off over us both. I don't think I've ever seen a guy spunk so much man milk in one go!

We've had a couple of threesomes since then – I prefer the one-on-ones with him, but it's fun to shag his other girlfriend and act like we're battling over his cum.

Nessa, Plymouth.

IT'S STAGGERING

Not everybody gets a full-on stag weekend in Amsterdam or Prague – I had to make do with the local strip club. OK, putting it like that makes it sound like I had a shit time when it was anything but!

We weren't expecting anything spectacular but, fair play, the girls there were just as good as any I've seen in swankier places – and a bit more earthy and dirty with it. And as none of us had to fork out for fares or hotels, as the lads had all chipped in to make sure I got all the attention I could cope with.

I got lap-dances off a few girls – then I had one off Lacey, which left me instantly wanting another one. Actually, I got three from her, which left me with the stiffy to

end all stiffies. I behaved myself, but when she leaned in to give me a kiss, I told her it was inhuman to get me in this state and not do anything about it! She told me to meet her in her dressing room at two, when she knocked off.

I posed for pictures with her, and the toughest part of the night was staying sober – if I had a chance with her I didn't want to literally piss it away!

The time came, I knocked on the door and she asked me in – she was totally starkers and freshening up with wet wipes. She wasn't fazed, but then she did get her kit off for a living! Still, as there'd be other girls using the dressing room, she led me off into the loo just off it, locking us in.

I'd already got a good look at her pussy when she'd danced for me – the neatest little triangle of dark pubes on her mound and a strip on either side of her gash. Her pink itself looked so tight and wet, but once she had my cock out – which she did expertly – she wanted a suck on it first. Her mouth was watering as she swirled her tongue around my helmet, filling up with saliva so she needed a little swallow every now and again. Each time this happened, my cock would bump against the roof of her mouth or even the back of her throat.

Soon I was thrusting, fucking her mouth, her head bobbing to vary the depth without me ever feeling she was trying to avoid taking my entire length! While she'd been dancing with me, she'd kept eye contact – unless she was shaking her gorgeous arse in my face. And now, while she sucked me she kept it up, gazing up at me as I stared down at my cock moving in and out. One second she'd deep-throat

"She kneaded her globes as I fucked them!"

me, then I'd see my six glistening wet inches slip back out again.

I was ready to cum, but she knew how to stop that in its tracks, delaying it to work in yet more fun. She had cute tits, just a nice handful and enough to wrap around my prick without dwarfing it in the process! That's what she did, kneading her globes, and as I fucked them – lubed with just a bit of spit and pre-cum – the friction built up fast. I thought I'd spunk all over them but, quick as a flash, she took me back in her mouth so I could spurt down her throat.

Smiling up at me again, she opened wide so I could see the milky mess pooled around her tongue, then she gulped it down in one.

Now I'm a happily married man I'll be faithful to my wife. But that blow job and tit-wank Lacey gave me was the best send-off from my bachelor days that I could have wished for!

Nick, Sheffield.

TRIONA,
Scotland

I'm a female student who lives in Scotland but goes to uni in the south of England. I had my 21st birthday while I was home for the holidays and got bought a second-hand car as a pressie, which I decided I'd drive back for the start of the new term. It's a long trip, so I advertised online for people needing a lift – just for a bit of company and to share the petrol costs.

I only got one response for when it suited me to travel, a lad called Marcus. He looked pretty good in the photo he emailed me, but that didn't prepare me for how he looked in the flesh! I was sat there, trying to keep it together and drive straight on the road, my fanny starting to ooze and froth before we'd hardly gone a few miles!

We got on great, bantering a bit, although he never pushed it and I never let on that I fancied the arse off him. One time when we were in the services, I had to lock myself in the loo and frig myself to orgasm, just to relieve my sexual tension. At first I sucked my fingers clean, then I dipped them in my juicy hole again, rubbing them all over my boobs and neck, hoping he'd smell the sex on me and feel like he had to have me.

We arrived at my house-share a couple of hours behind schedule, mainly because we took our time over a pub lunch. It was too late for Marcus to hitch the 50-odd miles further he needed to go, so I offered to let him crash. He was getting his sleeping bag out to kip on the settee when I decided I was going to go for it. If it went tits up, we never had to see each other again.

That's how we ended up in my bed, Marcus saying he'd had trouble holding back all through the trip. Talk about a fucking wasted chance, but we could make up for it now. We didn't mess around with slow foreplay – when he went for my tits, I just grabbed his hand and stuck it right between my thighs. And then I got busy wanking him, so I could get that cock of his inside me as soon as.

I was so moist for the bloke, I didn't care what size he was. Not that I didn't notice he was a big lad when I got my hands on it. He was stiff even before I started playing with him, and so thick my fingertips didn't touch when my hand was wrapped around it.

I laid him back on the bed and started sucking him, opening wide and wanking him as I gobbled, using both hands so all his length was getting seen to. But he wanted to give it back to me, moaning for me to sit on his face. So I sixty-nined him, straddling his head with my snatch dipped low for him to suck on. He got his mouth on my clit, three fingers in my hole and one fiddling around with my arsehole. I didn't want to cum until I got his knob inside my cunt, but then I realised I didn't have a lot of choice. The second I thought it, I was orgasming in his mouth.

He wasn't going to spunk before he fucked me, though. I dragged myself down till I was arched up over his prick, grinding his helmet against my equally engorged clit. Then I put him in me and sat down as hard as I could – I was going to ride the fuck out of every inch of him.

I'd driven the entire length of the country

– now I was still in the driving seat as I ate up another length, my fanny clenched tight around it. One hand was reaching down to stroke and squeeze his balls, the other on my clit, while he amused himself playing with my arse. I managed to get myself off to a hard cum, then used the last of my energy to take him all the way, circling my crotch as he pumped me full of cream.

He stuck around the next day, waiting until the very last minute before leaving – only to get back into bed when I promised to drive him as long as he made it worth my while. It didn't take me long to get him home, so I told him not to be surprised if I turned up on his doorstep howling for his cock sometime – I knew where he lived now! He said he'd always wanted a stalker, especially a horny one, and we both knew I could give a stalk-on any time!

Triona, Scotland.

WATCH WITH OTHER

I'm writing this just after a fuck-session with my girlfriend, Mia. We read a lot of mags like yours for inspiration and the sheer fucking thrill of seeing gorgeous naked women, and she wanted us to write in. She wants me to do the writing because she's Italian and so my English is better than hers. She also reckoned I should do it when it's all as fresh as possible in my mind.

That's why I'm sat naked at my computer, shaky from cumming around her fingers, with her pussy juices smeared all over my mouth, cheeks and chin. If I lick my lips I can taste her cunt, and think about how it felt all hot and puffed up while I was eating her out.

Although we're each other's most serious partner, we're both bi and so we don't mind bringing a man into it sometimes. To let you into a secret, I like

the taste of her juices best when they're coating a cock I'm licking or just taking in my mouth. She thinks I love them best when I drink them straight from her pussy – and I sure as hell liked doing that just now. But she won't be shocked if she reads this confession as she knows how much I love cock.

Half the turn-on is watching her take one, too. I like to be a part of it, holding her hole wide open with my fingers, then watching the guy wank himself against her opening, frustrating the hell out of her before he finally sinks it in. I'll get my head right down for a close up of it going in and out, giving her clit a licking and hoping he'll pull out for a few seconds so I can oralise his dick as well.

Mia's clean-shaved – she'd be all bush if she just let it grow! Like me, she prefers it when a man cums inside her, so she

can feel his hot spunk wash up against her inner walls. It's so horny to watch a bloke's balls bunch up as he gives her a twatful, and then when he pulls out and rubs the head of his prick all over her bald mound. Sometimes he'll just move clear and I'll take over, lapping and sucking the bubbling white jizz out of her then licking it all over her crotch.

Mia's lying on the bed right now, and I'll leave it up to her to decide what we're going to do next. I'm going to focus on the screen, not looking but waiting for her touch. It's the not knowing that'll really give me a thrill. Maybe she'll give my slit a delicate licking, using just her tongue tip, teasing me for as long as we can both bear it. Then maybe she'll lick her way up to my puckered arsehole, give that a bit of attention too, wetting it with her spit, then sucking on a finger so she can push that in a bit deeper.

Or, if I'm really lucky, she'll be slipping on her dildo harness, ready to give it to me hard from behind. We use a rubber

so I can oralise
his dick too!"**

cock that's bigger, thicker and just as hard as the real thing, and obviously stays that way for just as long as we need it to. When I've had a seeing-to from it, I know I've had the arse shagged off me, and usually all I can take for the rest of the night is a soft and gentle licking.

I'll sign off now because I think Mia's ready for whatever she's got in mind. She doesn't want to read my letter until it's in the mag – so let's hope it gets printed.

The one sure thing is that we both hope you'll get a big hard-on from us sharing the details of the dirty stuff we get up to – or a soaking-wet pussy if you're a female reader!

Ellie, Manchester.

MASS LOVE-IN!

Love, leather and lesbo shows were in the air on Valentine's Day when our new sex reporter Trixie Wilde took a walk on the wild side in Brixton...

When I heard the Torture Garden Valentine's Ball was to be held at Mass in Brixton I was dubious. Last time I had the misfortune of travelling to the same venue I was mugged. So you can imagine my terror at the prospect of standing outside the club barely dressed in nipple tassels, fishnet body stocking and a G-string. What the hell, I thought, if there was any trouble I had my riding crop in hand – and I wasn't afraid to use it.

So, concerns aside, I took along a friend dressed in similar attire and waited patiently shivering in the queue. Now TG is very strict on dress code and attendees must be wearing fetish wear of some sort. Think leather, rubber, PVC or something sexy akin to Dita Von Teese if you're feeling really classy. The doorman, dressed in theatrical pinstripes and top hat, made this very clear to my friend remarking she would have to open her coat for 'inspection.' Suffice to say she was left standing near naked in heels – the rest of us in the queue enjoying the view of her pert tits!

Eventually inside, it became evident people had really put in the effort. We were surrounded by hordes of revellers that had taken on the Valentine's theme with gusto. As well as the usual variations on the classic gimp suit there were many angels, lost gothic brides, burlesque girls, men in rubber gangster suits and the usual abundance of leather and rubber – most of which was complimented with a love heart in some form or another.

Moving through the crowd to drop off our belongings at the cloakroom I was caught by the arm of an acquaintance of mine I had met previously at a similar event. An ex-stripper with the most

amazing legs and bosom, she looked stunning. Dressed in a tight, pink rubber mini-dress it showed off the contours of her body to perfection. With her she had brought her friend, a fabulous cross dresser who told me later his wife had only just become aware of his alter ego when

"I watched him tongue her to orgasm!"

she found him in her underwear the previous evening. And he looked very fetching in her suspenders!

Excited at what the night might hold, we took a look upstairs where we found the dungeon area. Here we witnessed our first warm-up of the evening. In a visible state of ecstasy, a pretty young thing lay face down, strapped to some play equipment. A man and woman stood behind her and worked a flogger over each of her peachy arse cheeks, their hands rubbing her down and in towards her pussy. Watching intently from the sidelines I felt the familiar stirrings down

below. I am quite partial to a good smack myself – but there was plenty of time for that later.

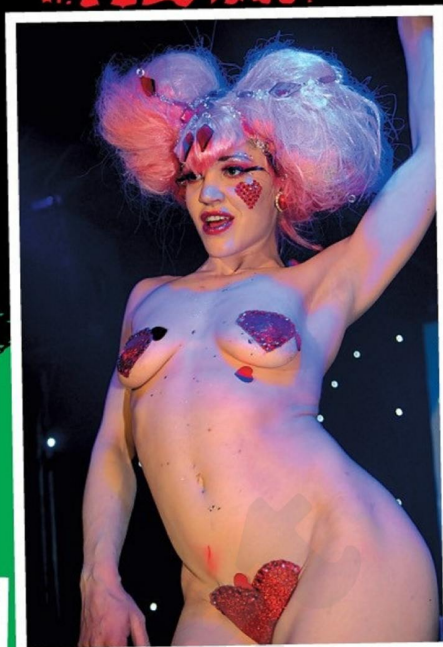

As I wandered through the venue, I was aware I was getting a few admiring looks from both sexes. The gym was obviously starting to pay off and my outfit definitely – my tits peeking through the netting, the love hearts on my nipples glistening in the dimness. As testament, I felt a female hand cup

I was impressed by her confidence but most of all by the way she hung suspended from a heart shaped swing to perform moves usually restricted to gymnasts.

Her show was followed by a variety of pole dancers gyrating sensually in time to the music along with the rest of the clubbers who all seemed to be enjoying themselves as the night progressed. What delights the couples' room held! The floor was a writhing mass of bodies as I entered. A three-way affair

my arse softly. "You are beautiful," she remarked, looking me square in the eye.

I smiled. There is nothing like another hot chick giving you a compliment and really meaning it. Turning around I found my friend had obviously come up trumps with the fairer sex too. Entwined in each other, their near naked breasts touching and hands wandering they seemed to be rather busy so I left them to it in search of my own pleasure elsewhere.

Climbing yet another floor I stumbled upon a wedding chapel where a cute blonde in some killer boots was getting hitched to a guy who was evidently quite excited as they posed in various sexual positions for an eager photographer. Her head back, her nipples in his mouth they both looked to be happy at their 'engagement'.

As the evening progressed I wandered through to the main hall, the sounds of David Bowie ringing in my ears. I approached the main stage to watch the shows of the night. Surrounding the stage were several large projectors each streaming porn and images of classic sex icons.

The scene was set and out came Roxy Velvet. Starting in a satin gown she slowly derobed to tease the audience. Now resplendent in nothing but three love hearts to preserve her modesty, she sashayed through her routines with ease.

immediately caught my attention. A man, quite well-endowed for his height, seemed rather pleased as he stood contentedly, his cock serviced by two women on their knees. Standing in a corner, I could also make out the familiar pink outline of female acquaintance I bumped into earlier. Legs apart, dress hitched up to her waist, a man knelt at her feet and I took a good long look at her naked slit. She had a beautiful pussy, nice and neat – her partner was a rather nice specimen too.

Watching him tongue her to orgasm nearly sent me over the edge – this was definitely something I would be storing away in my mind for later.

Buzzing from my previous encounter, I took to the dance floor for my first

proper dance that evening. I found myself staring at a familiar face in the crowd. He was a handsome twenty-something man I had met several times at previous TG parties. Stood in his usual collar and lead, bare-chested and with a pair of leather trousers, he approached. If my last encounter with him was anything to go by I assumed by the look on his face he wanted more of the same. You don't need to ask me twice to stand on a good-looking man – there is something about having complete control over someone else's pleasure (or pain) that gets my motor running.

I felt my pussy start to twitch as I grazed my heels over his chest. By the time my full weight was on his abdomen I was unstoppable. I could tell my heels were hurting him. His hands began to snake their way up my fishnet-coated legs as I lifted

a foot from a heel and ordered him to massage it. Holding his gaze, a clear look of satisfaction on his face, I knew he wouldn't be forgetting me in a hurry.

And I will always remember this crazy, sexy Valentine's night too!

PARLOUR GAMES!

The girls of Telford and Shrewsbury are top of the Shrops, according to professor of the parlour, bachelor of baby oil arts, George McCoy...

Shropshire

Shropshire is England's largest inland county, but is overwhelmingly rural and consequently does not boast that much in the way of adult services. What there is, is almost all to be found in the two major conurbations of the county, the county town of Shrewsbury and the new town of Telford.

That is not to say these locations have a monopoly on the provision of adult services in the county, since there is a very interesting lady based in Bridgnorth and a long-standing lady of note based almost in Cheshire in Whitchurch.

Gina of Bridgnorth is based in a delightful 19th-century house in the town and is unusually, the second user of her website, www.justkissing.co.uk, a site first used by a colleague called Sherri, who used to entertain in Ironbridge, which is technically part of Telford, but who moved to France a few years ago. She still comes over here occasionally and is available for two-lady sessions with Gina. Gina is unusual in that she makes a speciality of undressing and (after the event) dressing her client, and has developed a reputation as being a slim classy redhead who can switch from demure to athletic.

In the town of Whitchurch is **Jan**, who entertains from a detached house on a modern estate on the south side of the town. A tall, very slim strawberry blonde in her late thirties, Jan is very amenable once she gets to know you, being happy to travel, for example, to Manchester or Birmingham to see a regular client. She can be a bit difficult to get hold of, since she has a life outside of escorting, but is friendly and chatty, making each customer feel special, so they come back for more. And that is before you consider her superb oral skills. And, with little else in the way of adult services in this neck of

the woods, is unsurprisingly kept as busy as she wishes to be.

Outside of Telford and Shrewsbury, there is just one other lady of note, though she likes to be regarded as Telford based. **Stephanie** mainly entertains from her own home, which is somewhat off the beaten track, unless you are familiar with the rabbit run between Telford and Dudley, and is based and entertains from an isolated bungalow in the country, approximately equidistant from Telford, Bridgnorth and Wolverhampton. She comes up with a very extensive range of services including sensual massage, fetish services, lingerie cross-dressing and spanking for naughty boys, as well as those of a more conventional nature. With a wry sense of humour, this lady has a lot to offer, being also happy to visit ladies or

couples on an outcall basis.

We now come to Telford and what this new town has to offer. I have visited the town a lot, and even lived there for quite a while – it is a sizeable place, but does not have anything like as much to offer as Milton Keynes. Although, apart from Milton Keynes, it is the biggest new town in England (that is if you exclude such "new towns" as Northampton, Peterborough or Warrington, though like Milton Keynes it has odd old areas) it only has one, though admittedly a very notable, private house.

And it makes up for the absence of any other establishment in the new town with easily enough to keep a man busy. Since Jade's in Dawley closed suddenly a couple of years ago, the place to go for choice in this town is **Kandy's**, with two different

ladies working there every day. Based in a discreet house in the Oakengates area, it boasts very convenient on-site parking, and has been open now pretty much continually here since 2006. Originally based in Madeley, where it moved about a bit, Kandy has now got her operation up and running well with a specialist massage room and DVDs in each working room, though regrettably Kandy, whom I can personally attest to as being superb at her job, is no longer working herself anymore. Roomier than the flats she previously used in Madeley, there are plenty of notable ladies still around. Check out their blonde bombshell, Lucy, who will knock your socks off.

The town boasts three ladies of note working independently. Longest working

in the town and consequently Telford's most reported on lady of note is **Helen of Telford** who, by her own account, is a lady who works for pleasure rather than profit. Nevertheless, her fees are hardly notional, though the services available from this lady are by all accounts first class. Not operating after 2.30pm and only working weekdays, she is extremely versatile and while in her forties hardly looks it, boasting a body many younger women would be happy to occupy. She used to be only contactable by e-mail, but has mellowed with age and now you can contact her by phone whenever to fix an appointment. She can be a bit picky, not appreciating coarseness. Treat her with respect however and you should have a great time.

Equally notable and a star graduate of Kandy's is Julia, or **Miss Julia**. She recently took a break from her activities late last year, and is now once again available Tuesday to Friday each week,

decent range of corrective equipment can be made available and so may be moving to new premises at some point in the not too distant future.

Another lady worth checking out in Telford, particularly if you partial to the larger lady is **Sally**. An attractive BBW, who has been entertaining since early 2008, Sally offers a wide range of services from domination to oral services and can come up with a further lady or gentleman for threesomes if required.

Telford also boasts the county's lone dominatrix, an unusual lady by the name of **Mistress Lucinda**. Also available in Birmingham and London by arrangement, Mistress Lucinda goes on tour from time to time to both Dublin and Madrid and is a well-spoken and well-built, attractive and intelligent lady who is game for most corrective services, including wrestling and face-sitting. Uniquely in my experience, she is well over six feet tall and is listed on websites devoted to

and occasionally other days. Much recommended, she is not only game for a reasonable selection of conventional services, but is also keen on corrective services, being prepared to act either dominant or submissive, as required. If she has a weakness, it is that she enjoys a good chat, but this does not delay the proceedings, she knows when to get on with the main course and is undoubtedly one of Telford's top independent working ladies. She is looking for extensive premises from which to operate where a

amazons, the term familiar to those in the know for ladies who are particularly strong. Indeed Mistress Lucinda's strength and height make her virtually unique amongst dommes operating in this country. An unusual speciality of hers is lifting and carrying clients, but she is also into arm wrestling and smothering.

The town of Shrewsbury used to boast three parlours, but for one reason or another all three closed towards the end of the last decade. One long-standing private flat continues to operate in the

TRISH,
Tara's

is familiar with all aspects of parlour work. Though no longer working herself, she takes a friendly but firm line with her ladies, making sure they know what is expected of them. Unsurprisingly, this establishment keeps busy and thrives to this day. Check out Trish, a shapely, energetic and

versatile blonde in her twenties.

Shrewsbury also has a number of individual working ladies of note and one of the town's most notable working ladies goes by the unusual name of **Sunday**. Formerly available at Zara's on Sundays, when she went by the name Amanda, Sunday is a decidedly class act, having attended public school. She still possesses the accent to match.

Open continually since 2004, **Tara's** is now the establishment which has been longest running under the same management in the town. Indeed, the lady who runs it is a regular beauty who

Meanwhile **Zara's**, run by Zara, has been open since March 2007 and has rapidly become the parlour to visit in Shropshire's county town. A lot of the ladies working here are very experienced, having moved here from notable parlours such as Smethwick's Fun Place or Sandy's in Manchester. And that, frankly, says it all. Men like us ALWAYS make passes at girls who wear glasses. For one thing, they might not see clearly what we look like, which ups our chances. And if not, she's bound to be so intelligent that she'll find our chat-up lines hilarious. Plus, is there anything quite so horny as seeing spunk drip off a pair of bifocals? "Not if I'm wearing them," grins Summer.
